Ludwig And Sherman Were Top Scorers

The 1959 Blue Devils started their football conference games with three straight wins, easily knocking over Negaunee, Stevenson, and Gladstone. However, in their next two battles they fell hard when Traverse City (not in conference) and Escanaba both handed them hard-driven shutouts.

Under coaches Ludwig and Dubow, co-captains Ken VanLuven and Carl Lackey led the Blue Devils to a glorious homecoming as they toppled the Ishpeming Hematites, 13-6.

Defeat followed victory when the Devils journeyed to Marquette; the Redmen trounced them, 47-6.

Although our Blue Devils missed top honors, they still outscored their opponents 86-73.

High scorer of the season was Tom Ludwig, a junior, whose tally whas 36. Pete Donnelly and Jerry O'Jibway tied for second place with totals of 12 points each.

For Varsity And Bees

According to Coach Ernest Kranz, our football Bees did a good job and gained a large amount of potential for the next two years' Varsity teams. They started practice early this year—August 26—and opened their five-game season on September 19. High scorer of the season was Tom Sherman, with 31 points.

Jerry O'Jibway parries a Trojan during a losing fight against Traverse City on September 25.

Both Chess Club and Junior Rotarians meet on Monday noons. As its name suggests, the main purpose of Chess Club is to play chess. The Junior Rotarians attend the Rotary meetings at the Ojibway Hotel. Rotary's main idea in inviting four senior boys each month during the school year to attend their meetings is to give the boys a chance to learn how a service club works. On the last Monday of each month one boy gives a speech thanking Rotary.

Learning to Serve,

TO BE VOTED INTO COLONNADE CLUB is an honor for Sault High girls. Fifteen junior girls are selected each semester. Colonnade's aim is to create, maintain, and extend throughout the school and community high standards of young womanhood.

Last year the club "adopted" a Greek child, and is continuing its support. Colonnade also raises money for UNICEF, sells refreshments at games, decorates the bulletin board, and does many other services for school and community.

THE PURPOSE OF HI-Y is to create, maintain, and extend throughout the school and community high standards of Christian character. The Hi-Y platform is clean speech, clean sports, clean scholarship, and clean living.

Speech Club Emphasizes Dramatics

EACH YEAR SPEECH CLUB AND NATIONAL THESPIANS TROUPE 141 work together to provide much enjoyment for Sault High students. The first project of the year was the annual Homecoming celebration, October 8 and 9. The snake dance and bonfire took place on Thursday night, and the parade, crowning of the queen, game, and dance were held on Friday.

Soon after Homecoming, try-outs were held for the annual fall play. This year the play, *NINE GIRLS* by Wilfrid H. Pettitt, was a murder mystery which took place in a sorority clubhouse in the mountains of California.

On December 14 initiation for National Thespians was held at the Ojibway Hotel. The initiates had each won at least twenty points by working on Speech Club projects.

STUDENT COUNCIL

In addition to being the student governing body, each year the Sault High Student Council sends one junior abroad under the American Field Service exchange student program. In order to raise the money needed for the project they sponsor a carnival in the spring.

Managing the student elections, preparing the social calendar, and taking care of the printing and distributing of student theater tickets all helped to provide the council with a full agenda at every meeting of the year.

President Mike Cowen accepted his office with pleasure.

Our exchange students, Herman Kopetz and Bob Jacobs, were accepted as honorary members.

THE MUNCHIN' MOOCHERS CLUB provides a noon hour activity for the students who must stay at school at noon. Every morning and afternoon before school the **SUPPLY STORE** gives students an opportunity to "stock up" on any supplies they may need. This year, with some of the profits from the store, these advanced bookkeeping students provided homerooms that wished to have them with electric wall clocks.

THE ELECTRONICS CLUB skillfully served Sault High once again. During noon hour they showed movies which made a "big hit" with all who brought their lunch. Our mixers were also great successes thanks to

Electronics members who played the records. A "necktie" microphone, which enables a speaker to move and still be clearly heard, was also presented to the school by the club.

FUTURE NURSES OF AMERICA may have been seen hurrying to the hospital after school. Inside they dashed to the children's ward where they served as volunteers. Another major activity this year was acting as hostess club at the Upper Peninsula Future Nurses' rally.

FUTURE FARMERS OF AMERICA do their part to make our games just a little bit more fun by selling the popcorn that has made them famous.

FUTURE TEACHERS OF AMERICA can be proud of the many worthwhile activities they take a vital part in during the year. These projects enable them to be of valuable service to others; meanwhile they observe various phases of the teaching field.

FUTURE HOMEMAKERS OF AMERICA never had a dull moment. They heard talks by various townspeople on giftwrapping and centerpieces, then put their creative ability to work. The girls also discussed Japanese homes, styles, and sponsored a family dinner.

Busy planning the layout of a page in KEYNOTE, Audrey Bjunes, Editor-in-chief (seated right) discusses the possible layout with her editors: (seated from left to right) Vivian Cody, news editor; Diane Edlund, features editor; (standing) Carole Pattison, classes editor; Sharon Nelson, calendar editor; and Carolyn Bigelow, Editor.

Under the watchful eye of Business Manager Bill Eastman, KEYNOTE's advertising staff plans ad layouts for the next issue of the paper. Advertising manager, Ruth McPhail, left, helps Bill explain what advertisers are expecting from your school newspaper to ad solicitors Pat Hill and Mary Gagnon.

Always Working to Beat the Deadlines

One of the busiest sections of Sault High is undoubtedly room 119, the KEYNOTE office. This small room contains four typewriters, which were constantly clacking, to prepare copy for fourteen issues of KEYNOTE published during the 1959-1960 school year.

In addition to the time spent on newspaper editing, the staff sponsored a skating party,

traveled to press conferences in Ann Arbor and Charlevoix, and held their annual awards banquet, during which staffers were rewarded for all their "hairpulling" hours.

Three news services—Columbia Press Association, National Scholastic Press Association, and Quill and Scroll—awarded KEYNOTE a first place rating, signifying A-1 quality.

Night shift, one of KEYNOTE's most popular activities, finds staffers folding and inserting pages. Left to right: Jeannie Seppala, Gary Freedman, Vivian Cody, Jean

Majorettes and Cheerleaders Support Devils

Who attends all the Blue Devils' games and cheers them on to victory? Whose hours of hard work and endless energy make an undefeatable combination? Yes, it's the honor-deserving cheerleaders being described. During the half-time of every home game they are capably aided by the ambitious majorettes who demonstrate their faithful support of the Devils and keep that school spirit high with their colorful and perfectly performed routines.
